

Bubbl.us How-To Guide

Example:

Creating a Bubbl.us account:

- Go to <http://www.bubbl.us/>
- Click on the “Start Brainstorming” button
- Click on “Create Account” in the top, right corner
- Create a username (do not use your real name) and password, type in your email address (see Mrs. Siegel or Mr. Mobley if you do not have an email address), and DO NOT include your name.
- Click on “Submit”

Save your sheet

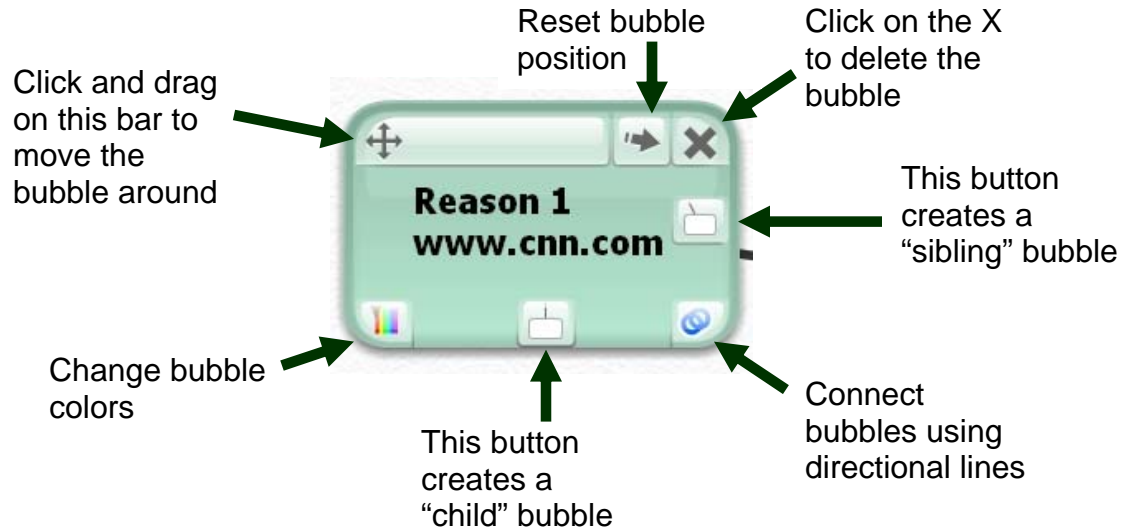

- Replace “New Sheet” with “ANWR – *your full name*”
- Click “Save”

Add Mr. Mobley and Mrs. Siegel as “Friends”

- Click on the “Friends” tab
- To add Mr. Mobley search for travis.mobley@cobbk12.org
- To add Mrs. Siegel search for cashleysiegel@gmail.com and click on “Ashley Siegel” when it appears.
- Now click on the “Collaborate” tab
- Click on “Sharing” under the Save button
- Select Mr. Mobley and Mrs. Siegel and click on “Submit”
- You can also add your team members later

Working with Bubbl.us

- If you hover the mouse over a bubble then choices appear on top of the bubble.

- If you want to force text to go to the next line, hold down the "Shift" button and hit "Enter." This will move the cursor down one line. You will need to do this to paste in the URL of the site where you located the fact.
